Line Blocks with Line

These robust L-shaped plastic blocks are a simple tool which can be quickly adjusted under tension for length and height to ensure that courses of bricks are running straight and true. They feature built-in line storage and are supplied with orange polyethylene brick line.

Length: 18 metres

Brick Line on Spool

A brick line stored on a rotating spool that doubles as a handle and incorporates a spike for pushing into soft earth when laying out. Supplied complete with strong polymer orange building line.

Length: 75 metres

£4.88 Inc VAT

Die-cast Chalk Line

Quick and effective line marking when building or decorating. The die cast body contains a line reel, which passes through a reservoir of coloured chalk (not supplied). It becomes coated as it is reeled out. Snapping the taut line against a surface deposits the colour chalk leaving a visible but temporary line to work to.

Length: 30 metres

Chalk Line Set

With its geared action, this chalk line winds up to three times faster than a traditional reel. The water resistant housing has a non-slip rubber grip for user comfort and ease of use and a large mouth for easy powder refilling.

Complete with a 113g red chalk refill, a handy mini line level and 30 metres of line.
