## Die-cast Chalk Line

Quick and effective line marking when building or decorating. The die cast body contains a line reel, which passes through a reservoir of coloured chalk (not supplied). It becomes coated as it is reeled out. Snapping the taut line against a surface deposits the colour chalk leaving a visible but temporary line to work to.

Length: 30 metres

£16.40 Ex VAT £19.68 Inc VAT

## Line Blocks with Line

These robust L-shaped plastic blocks are a simple tool which can be quickly adjusted under tension for length and height to ensure that courses of bricks are running straight and true. They feature built-in line storage and are supplied with orange polyethylene brick line.

Length: 18 metres
