

## DIAMOND STONE

Diamond stones will sharpen steel, HSS and tungsten carbide tools and may also be used to abrade glass, ceramic tiles and porcelain. Diamond stones may be used dry or with water as a lubricant. Always dry the stone after use and before storing. Clean the stone occasionally, using soapy water and a soft brush.

## Diamond Sharpening Stone

A four-sided diamond sharpening stone supplied with a worksafe, surface gripping base for quick, easy and effortless sharpening of any blade. Diamond stones will sharpen steel, HSS and tungsten carbide tools and may also be used to abrade glass, ceramic tiles and porcelain.

**Size:**  
50 x 50 x 150mm

**Four grades of diamond grit:**  
**Orange** - 1000G Fine  
**Red** - 600G Medium  
**Green** - 400G Coarse  
**Blue** - 300G Extra Coarse

**FAIDWQUAD**  
£20.88 Ex VAT £25.06 Inc VAT

## Carvers Mallet

Rounded heavy-duty beech head. The circular cross section is permanently wedged and glued to a beech handle.

**Beech**

**Head diameter:**  
90mm (3 1/2in)

**FAICM90**  
#N/A Ex VAT #N/A Inc VAT

Chisel & Stone not included

## Oilstone & Honing Guide Kit

A combination oilstone complete with oil and honing guide. This makes the ideal kit for sharpening all HSS and carbon steel chisels and plane blades. The honing guide makes it easy to restore a perfect cutting edge, even for newcomers to the task.

**Oilstone length:**  
200mm

**FAIOS8CHG**  
£14.09 Ex VAT £16.91 Inc VAT

## Honing Guide

The Honing Guide is used in conjunction with either an oil, water or diamond sharpening stone to ensure the perfect cutting angle when restoring a cutting edge to straight edged chisels, bevel edged chisels and plane irons from 3mm to 67mm wide.

**FAIHG**  
£8.64 Ex VAT £10.37 Inc VAT

For honing guide instructions see page 70.

## Carpenters Mallets

Made from straight grained beech to provide the required weight and resistance against splitting. The mortise head and tapered handle maintain a perfect and secure fit.

The striking surfaces of the head are angled toward the user and ensure a square-on delivery with each blow.

Beech	SIZE	Ex VAT	Inc VAT
FAICM4	102mm (4in)	£10.32	£12.38
FAICM412	114mm (4 1/2in)	£12.00	£14.40
