

CHALK LINE & REFILLS

For quick and effective line marking when building or decorating. The die-cast body contains a line reel which passes through a reservoir of chalk as it is reeled out. 'Pinging' the line when taut against a surface, deposits a fine line of chalk creating a visible but temporary line to work to.

STOCK NO	DESCRIPTION	LENGTH	EX VAT	INC VAT
A FAI CL30	DIE-CAST CHALK LINE	30M	£10.45	£12.54
