PLASTERERS TROWELS

A range of top grade plastering trowels from Italy, a country which is traditionally and historically associated with this craft. Top of the range is the '820' model with a stainless steel blade and an absorbent wooden handle. Models '816P' and '816' are basic yet good quality trowels with plastic handles and quality steel blades. The '822' has an absorbent wooden handle and serrated blade edges for keying applications.
