

CLAMPS

HOBBY CLAMPS

The design of the slim compact section is an advantage in a limited space. The high quality welded steel plates provide strength. The handle screw and swivel pad are plated to resist rust.

WELDERS 'G' CLAMPS

Extra strong drop forged steel body which is ribbed for extra strength. The steel mainscrew has a broad swivel pad and is copper plated to resist weld spatter sticking to the thread. This clamp is a superb choice for all industrial and woodworking applications where extra strength and durability is demanded.
