

Reducer plate

FLICKER WALL COATING SPRAYER

This hand operated wall coating sprayer for applying Tyrolean and roughcast material on both inside and outside walls. Supplied with a reducer plate for small areas. An adjustable pressure bar allows for texture control. The casing and reducer plate are made from Stainless Steel for rust prevention. A replacement comb roller is available.

FOAM GUNS

Designed for the application of single component polyurethane foam. A trigger and flow adjuster knob enable the user to control the foam flow to give a clean, even bead and reduce waste. The guns feature a non-stick coated needle and barrel for easy cleaning and have an air tight seal to prevent hardening of the product when left in the gun.

COMFI GRIP FOAM GUN Fitted with a larger comfi-grip handle and wide trigger for user comfort.
