Faithfull paintbrushes are manufactured to the highest standard using the very best materials. They are hand-made by skilled brush makers who clean, assemble, and trim the bristles before securing them in stainless steel ferrules. The bristles are bonded using top quality resin to avoid any shedding. All the handles are made from natural wood from renewable sources.

**NEVER LOSE A BRISTLE**

### SYNTHETIC SUPERFLOW PAINTBRUSHES

Synthetic bristles made from 100% polyester tapered filaments guarantee excellent performance with no bristle loss. Fitted with a 'Kaiser' style lacquered wooden handle for user comfort, these brushes offer superb performance with all modern water based paints, but can be used with all other types of paint.
