

LAWNCARE RANGE

A wide range of selected lawncare tools complements the Faithfull digging range.

The fibreglass range combines the benefits of light weight with maximum strength and endurance.

HOES & EDGING IRONS

The Dutch hoe is for clearing light growth and the draw hoe breaks up deeper ground. The edging iron has a foot tread for applying extra effort when working on hard ground.

	STOCK NO	DESCRIPTION	EX VAT	INC VAT
A	FAI DRFG	150mm DRAW HOE, 1.4M F/GLASS HANDLE	£13.80	£16.21
B	FAI DHFG	125mm DUTCH HOE, 1.4MF/GLASS HANDLE	£13.80	£16.21
C	FAI EIFG	200mm EDGING IRON, 1.4M F/GLASS HANDLE	£12.02	£14.12

RAKES

The metal tines or prongs of the garden rakes are used on earth and gravel and the flexible tines of the lawn rake are ideal for removing mosses and leaves. The wooden shafted aluminium landscape rake is for levelling sand and gravel.

The all-wooden hay rake is used for collecting cuttings, trimmings and discarded growth.

	STOCK NO	DESCRIPTION	EX VAT	INC VAT
D	FAI LRFG	610mm LAWN RAKE, 1.4M F/GLASS HANDLE	£16.95	£19.91
