B FAI CALVER	VERNIER CALIPER	150mm (6in)	£21.15	£25.38

DIGITAL CALIPER

Manufactured from hardened Stainless Steel, this three function electronic digital caliper provides precision readings through a clear liquid crystal display. Its many features include a fine adjustment roller which allows precise measurements to be taken quickly and easily. The digital selection button enables readings to be displayed in either Metric, Imperial or fractional format. The four-way measurement function provides a choice of readings in external, internal, depth and step modes. Supplied in a strong plastic storage box.

C FAI CALDIG	DIGITAL VERNIER CALIPER	150mm (6in)	£31.75	£38.10
FAI CALDIGBAT	REPLACEMENT BATTERY 3V(CR2032)		£2.00	£2.40

ENGINEERS GAUGES

DEPTH GAUGE WITH PROTRACTOR

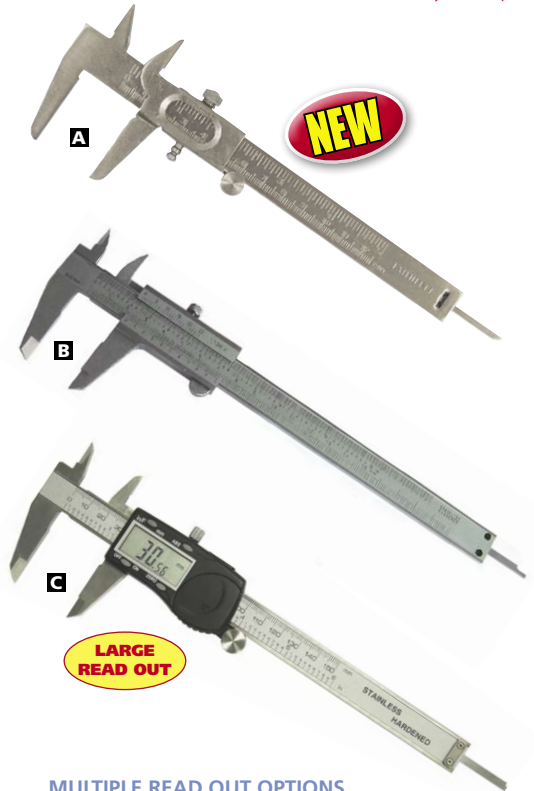

The protractor features deep etched graduations 0 - 180° in opposite directions permitting the reading of both the direct and supplementary angles. The rule is graduated in both Imperial and Metric dimensions and a knurled thumbnut allows the rule to be locked at the chosen angle.
