

SHEARS

HEDGE & GRASS SHEARS These versatile shears cut grass and also hedge branches up to 7mm thick. The soft, comfortable non-slip rubber grips reduce fatigue and nylon bumpers act as shock absorbers. Maximum sharpness and efficiency is easily maintained by the tension adjuster and the geared drive.

LONG HANDLE SHEARS The shafts are made from strong moulded oval carbon steel for added strength. The cutting blades are non-stick coated to resist rust and minimise friction. The extra-long handles help to reduce back strain and soft non-slip grips maximise comfort and control.

	STOCK NO	DESCRIPTION	EX VAT	INC VAT
A	FAI HG510	HEDGE & GRASS SHEARS 260mm	£14.50	£17.03
B	FAI LHBS	LONG HANDLE BORDER SHEARS 0.9M	£15.95	£18.74

HOSES & WATERING

GARDEN HOSES

A strong green reinforced PVC hose in 15, 30 and 50-metre lengths with a 12.7mm (½ inch) nominal inside diameter. The hoses are supplied without fittings but popular makes of connectors, spray guns etc. are compatible with Faithfull hoses. The 'HOSE30AV' is supplied with a spraygun, a threaded tap connector and fittings.

E	FAI HOSE30AV	PVC HOSE PLUS ACCESSORIES	30M x 12.7mm (½in)	£16.95	£19.91

BRASS HOSE FITTINGS

Four of the most popular quick-release brass water hose fittings for use around the garden. Manufactured from high quality brass, these fittings have the added advantage of a TPR soft-grip coating, making them easy to handle during fitting, joining or disconnecting applications. Suitable for use with all 12.7mm (½in) bore garden hoses and compatible with all other UK water fittings. The quick-release push-fit dual tap connector fits both 12.7mm (½in) and 19mm (¾in) taps for easy attachment and disconnection.
