

TAP & DIE SETS

Manufactured from high quality C45 carbon steel, these sets are suitable for cleaning and cutting threads in Mild Steel, Aluminium and Brass. Each set contains a tap wrench, die holder, screwdriver and a range of Metric taps and dies, featuring the most commonly used threads in Europe. The 39 piece set has the added advantage of a 'T' handled tap wrench, a screwpitch gauge and a larger selection of taps and dies. Supplied complete in a robust plastic storage case.
