

Soft-Grip Adjustable Spanners

A range of four adjustable wrenches with a ring spanner built into the handle. The drop forged construction and the moulded soft-grip handle combine strength with comfortable use. Wrenches are designed to withstand the maximum leverage generated by muscle power. Hammering or mechanical levering can cause a failure of the wrench.

Ring spanner built into handle

	LENGTH	JAW CAPACITY	RING SPANNER	Ex VAT	Inc VAT
FAIAS150C	150mm	25mm	10mm	£6.82	£8.18
FAIAS200C	200mm	30mm	13mm	£8.78	£10.54
FAIAS250C	250mm	35mm	17mm	£12.33	£14.80
FAIAS300C	300mm	40mm	17mm	£14.86	£17.83

Adjustable Spanner Wide Mouth

This large capacity wide opening wrench has a serrated edge reversible jaw for use when a tighter grip is required. The extra wide jaw opening and short length make it ideal for use on larger nuts in confined spaces such as sink nuts inside kitchen units. Made from chrome vanadium with a soft-grip handle for comfort.

Reversible serrated jaw for a tighter grip.

Length: 200mm
Jaw Capacity: 46mm

Wide Mouth Adjustable Spanners

A large capacity, wide opening adjustable wrench with a short pattern handle and 15° angled jaws to permitting maximum access in restricted spaces such as inside kitchen cabinets or confined engine compartments. Manufactured from carbon steel and chrome plated for corrosion protection with a blue translucent soft-grip handle for use comfort.

- Wide opening large capacity jaw
- Short handle pattern
- Chrome plated rust protection
- Translucent soft-grip handle

	LENGTH	JAW CAPACITY	Ex VAT	Inc VAT
FAIAS120W24	120mm	24mm	£9.45	£11.34
FAIAS140W30	140mm	30mm	£11.80	£14.16
FAIAS160W36	160mm	36mm	£14.63	£17.56

Ratcheting Adjustable Spanner

This ratchet action adjustable wrench has a jaw that can be altered to suit various sizes of nuts and bolts. In addition, it has the added benefit of a ratchet mechanism that can be instantly switched between a fixed or ratchet action at the press of a button, allowing the fast removal or tightening of fixings. The wrench has graduation markings for accurate adjustments and a soft-grip handle for user comfort.

Length: 200mm
Jaw Capacity: 28mm
