### Portable Table Vice

Manufactured from close grained grey cast iron and designed to be attached onto work benches and tables. This portable table vice is suitable for model making and ideal for holding smaller work pieces and materials. It has a 360° rotating base that can be locked in position making it extremely versatile when needing to access the work piece from different angles without having to remove it from the vice.

JAW WIDTH	OPENING
75mm (3in)	55mm (2in)
