

GREASE GUNS

Mini Pistol Grease Gun

Developing up to 3,500psi / 240Bar with two optional nozzle locations, this compact pistol style appliance is ideal for agricultural and DIY use. A useful feature is the dual choice alternative of filling by suction or with a 94g (3oz) cartridge.

CAPACITY
94g (3oz)
PRESSURE
3,500psi / 240bar

Heavy-Duty Grease Gun

A heavy-duty side lever grease gun that develops up to 10,000psi / 690bar from its limited short stroke action.

A die cast head, easy locking plunger, ergonomic pump handle grip, positive grip plunger handle and a bulk loader with an air release valve, all combine to make this grease gun very efficient and easy to use. With a 500g (16oz) capacity, the gun is filled by suction action. The four jaw hydraulic coupler ensures that the grease goes exactly where its needed at the press of the lever.
