£16.92 Ex VAT
£20.30 Inc VAT

Philadelphia Pattern

This Philadelphia pattern blade offers a larger more flexible taper ground blade, making the trowel a very popular choice, ideal for professional bricklaying. Its larger size is also a benefit when laying blocks or any application where more mortar is required.

250mm (10in)

£20.54 Ex VAT
£24.65 Inc VAT

280mm (11in)

FAISGBTFP11
£22.16 Ex VAT
£26.59 Inc VAT

London Pattern

This traditional London pattern blade has a different shape and angle to the Philadelphia design and is preferred by some Tradesmen as it permits easy scraping of mortar from hawks etc .
