

### Bi-Metal Holesaw Plumbers Kit

This plumbers holesaw set contains the six sizes of holesaws used most frequently within the plumbing trade. Two arbors and an adaptor complete the set, which is supplied in a sturdy aluminium case. These variable pitch bi-metal holesaws can be used on a wide variety of materials including wood, chipboard, plywoods, plasterboard, non-laminated plastics, and non-ferrous metals. Suitable for use in most variable speed power drills.

**9 PIECE SET**
