

## Single Pad Suction Lifter

This single pad lifter allows easy handling of non-porous tiles, marble and glass during installation. It is ideal for larger format tiles. Made from ABS plastic with a 120mm rubber gripping pad.

**Maximum lifting capacity:**

**Vertical: 30kg**  
**Horizontal: 15kg**

**FAISUCPAD**  
**£5.44 Ex VAT**  
**£6.53 Inc VAT**

## Double Pad Suction Lifter

Ideal for carrying heavy, awkward items such as glass, doors, windows and sheet metal. 120mm rubber gripping pads for maximum hold. Securely grips on glass and similar non-porous surfaces. Made from ABS plastic.

**Maximum lifting capacity:**

**Vertical: 45kg**  
**Horizontal: 30kg**

**FAISUCPAD2**  
**£11.29 Ex VAT**  
**£13.55 Inc VAT**

**CAUTION** Care should always be taken when calculating the total load to be lifted. **DO NOT EXCEED THE MAXIMUM LOAD.**

## Aluminium Bodied Suction Cups

These heavy-duty aluminium bodied suction lifters will grip to most flat surface non-porous materials and is ideal for use when handling heavy, awkward and hard to hold items such as glass, sheet metal, large tiles, marble and many other materials during building installation and servicing.

## Double Suction Cup Lifter

This suction lifter has two 120mm rubber gripping pads, each fitted with a simple lever action, locking vacuum systems. Two pads provide an increased lifting capacity, added safety and security by spreading the total load. The vacuum system will support loads of up to 110kg (242lbs) when used in a vertical orientation and up to 100kgs (220lbs) when used in a horizontal orientation.

**Maximum lifting capacity: 110kg**

**Ideal for use on glass doors, windows, sheet metal, tiles, and marble during installation**

**FAISUCPAD2P**  
**£23.59 Ex VAT £28.31 Inc VAT**

## Triple Suction Cup Lifter

This suction lifter has three 120mm rubber gripping pads, each fitted with a simple lever action, locking vacuum systems. Three pads provide an increased lifting capacity, added safety and security by spreading the total load. The vacuum system will support loads of up to 150kg (330lbs) when used in a vertical orientation and up to 130kgs (286lbs) when used in a horizontal orientation.

**Maximum lifting capacity: 150kg**

**FAISUCPAD3P**  
**£36.12 Ex VAT £43.34 Inc VAT**
