

Paintbrushes

Faithfull paintbrushes are manufactured to the highest standard using the very best materials. They are hand-made by skilled brush makers who clean, assemble, and trim the bristles before securing them in stainless steel ferrules. The bristles are bonded using top quality resin to avoid any shedding.

Utility Paintbrushes

Made from 100% synthetic filaments and suitable for use with all types of paint. Features a stainless steel rust resistant ferrule and contoured comfortable plastic handles.

	SIZE		Ex VAT	Inc VAT

Utility

*Good performance
with all paint types*

Tradesman Paintbrushes

Manufactured using a 100% blend of solid round tapered filaments with a chiselled top for better performance and ease when cutting in. A natural wood beaver tail handle provides a perfect grip and balance making the brushes comfortable to use. The squared stainless steel ferrule helps retain an accurate head shape. These brushes will provide a great performance and can be used with all paint types.
