

Tap Wrench Set

A three piece set of hand tap wrenches designed for use in hand tapping and reaming operations. Each wrench features a heavy-duty ductile steel body with a knurled chuck cap. A four point clamping system helps to increase the range of tap sizes that can be used and provides a firm non-slip grip for accurate control. Three sizes cover the following metric and imperial size taps.

Tap capacities:

M1 - M4 1/16in - 5/32in

M4 - M8 5/32in - 1/4in

M6 - M12 1/4in - 1/2in
