

## Pressure Sprayer Knapsack

A pump as you go pressure action makes light work of those big spraying jobs and the large capacity makes this sprayer ideal for use in large gardens or allotments.

This sprayer features a flexible 140cm hose and 90cm lance with a selection of four adjustable spray nozzles, allowing it to be used for a number of different spraying applications. The sprayer is supplied with a handy shoulder harness and a complete service kit.

Additional double head, fan and four hole nozzles supplied

Pump as you go handle

Twin shoulder straps with a quick release catch for easy removal of sprayer

Large filling mouth with removable filter

Ergonomically designed curved tank fits more comfortably on your back
