Enamel Metal Wall Thermometer

Ornamental metal thermometer. Ideal for the home, conservatory or summer house. It can be wall mounted securely via the two screw holes top and bottom.

Size:
65 x 300mm

FAITHMETAL
£7.01 Ex VAT £8.41 Inc VAT

Plastic Wall Thermometer

A simple white plastic wall thermometer for everyday use in and around the home and garden. Also ideal for checking fridges. Indoor or outdoor use.

Size:
40 x 200mm

FAITHPLASTIC
£2.36 Ex VAT
£2.83 Inc VAT

Stick-On Window Thermometer

A simple but effective thermometer which sticks directly onto the outside of a window with the adhesive pads supplied. The outside temperature can then be read while you are indoors. When installing ensure surface is free from grease. Remove the sticky pads protective film and press onto the outside glass.

Size: 75mm² (3in²)
