FAIPLCC24
£54.22 Ex VAT £65.06 Inc VAT

Wire Cutter

Heavy-duty wire cutters designed to cut wire up to 12mm thick. Forged steel handles with rubber grips.

Length:
600mm (24in)

FAIPLWC24
£67.76 Ex VAT £81.31 Inc VAT

N.B. Safety goggles should be worn at all times when using bolt cutters.

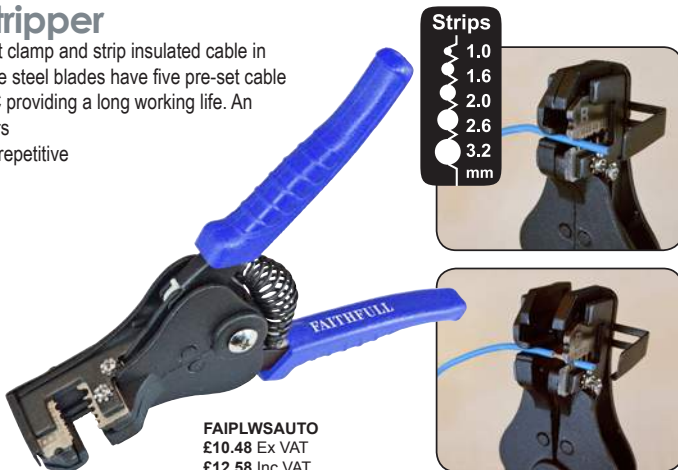

Automatic Wire Stripper

Highly efficient wire stripping pliers that clamp and strip insulated cable in one quick action. The high performance steel blades have five pre-set cable diameters and are hardened to 53HRC providing a long working life. An adjustable length guide allows the pliers to be set between 5 to 32mm to make repetitive stripping tasks quick and accurate.

Strips insulation
off wire sizes:
1.0, 1.6, 2.0, 2.6, 3.2mm
(AWG 18/14/12/10/8)

CAUTION

This product is not insulated. Care should be taken to ensure that any wire to be stripped has been isolated from any source of electricity.
