Bearing Pullers

This four piece set contains 75mm, 100mm, 150mm and 200mm pullers with reversible claw legs for internal and external pulls. Manufactured from chrome vanadium steel, heat treated for added strength and chrome plated to resist corrosion. The swivelling thrust plate helps to prevent damage to shaft ends and is fitted with a hex head forcing screw which is suitable for use with a ratchet wrench or spanner.

Sizes:
75mm (3in)
100mm (4in)
150mm (6in)
200mm (8in)
