

LED Clip Light

110V

SAFETY PRECAUTIONS

It is important to read these instructions fully before using the light.

- Do not use the lamp in the immediate vicinity of inflammable materials or gases.
- Only use the accessories included with the product.
- Keep the lamp out of reach of unauthorised persons, especially children.
- Do not point the light directly in your own or any other person's or animal's eyes.
- Always check the mains cable before you use the lamp.
- If the supply cord is damaged, it must be replaced by a qualified person to avoid hazard.

NOTE

1. This manual is subject to change without notice.
2. Faithfull tools take no responsibility for any personal injury, loss or damage caused by the inappropriate or misuse of this product.
3. The contents of this manual cannot be used as the reason to use the meter for any other special application.

Every Faithfull electrical product is guaranteed for a period of one year, subject to the same exceptions as mentioned above. In the case of electrical products used for hire, the guarantee period is restricted to three months.
